

Dear St. Michael families,

Dr. Matt Hecker, Chief Administrative Officer for the Diocesan Education Office, has determined that Lincoln Catholic Schools **will suspend on-site schooling indefinitely**, following a similar announcement by Lincoln Public Schools. "School is not CLOSED, we are moving to an alternative learning environment." More details of this announcement will be shared in a formal press release later today. An email from me is also forthcoming to update families on the St. Michael plan for remote learning, which will commence on Monday, March 23.

We miss our students! Thank you for your prayers, support, and patience as we all transition to a new way of teaching and learning. Be assured that you are in our prayers, as well.

Take care of one another. Spread love and Kindness like Christ.

God bless,

Sue
